ABOUT OUR GALLERY

YorkArts is a non-profit arts organization committed to providing a high-level aesthetic experience in concert with quality educational programs. Our gallery, located in the Cultural District in downtown York, presents bi-monthly solo and group exhibitions of regional and national works in one of the premier exhibition spaces in South Central Pennsylvania, free for all to enjoy.

ABOUT OUR GALLERY TOURS

YorkArts tours are a fascinating introduction into the world of art, and are tailored to fit all age groups. Using age-appropriate interactive gallery discussions, creative visual analysis and educational activities, your visit to YorkArts will instill a new appreciation for the arts.

Qualified art instructors and program specialists will help your group members and students use their 'investigative eye' when looking at art, engaging younger tour members with active gallery games and lively discussions that will fascinate as well as teach. Guides focus on the theme of the current exhibit, using corresponding educational activities and talks by featured artists to enrich your group's exhibit experience and make each tour unique. With each exhibit change, a new tour and educational activity is created, so students and groups can tour the YorkArts gallery again and again throughout the year.
